

Project Rachel Ministry

Time for a second choice:

Choose to accept God's love and forgive yourself

"I found other women who had experienced the same things as I have and have the same feelings. We are there for one another and that is how the healings beings. Without Project Rachel, I don't know where I would be right now. Project Rachel brought me back to God. Now, I help others begin their healing journey while I continue mine."
— Elizabeth
